

IT'S TIME TO GET EXCITED

ABOUT RUBY

Officiating weddings felt like a natural fit for me, I've always been a people person and a firm believer in the magic of love. I absolutely love working with couples who want their ceremony to be more than just the legal stuff, but a truly unique and personal celebration of their love story.

My approach to ceremony design makes sure your ceremony is the heart of your wedding day, creating moments that are unforgettable. I'm passionate about incorporating rituals and special touches that give your ceremony meaning and memories you'll cherish for a lifetime. That's why I work closely with every couple to craft a ceremony that's true to who they are and reflects their love in the most authentic way.

Whether you're planning an intimate gathering or a big celebration, my goal is to create a wedding ceremony that feels magical, meaningful, and completely *you*. And don't worry, we'll have plenty of laughs along the way! I believe in enjoying the whole process, from planning to the big day, so let's make it fun and unforgettable for you and your guests!

I look forward to bringing your love story to life.

Sending you love xoxo Ruby

SO, WHAT'S THE PROCESS?

Are we a perfect match?

Lets have a obligation free meeting via video call to connect and get to know each other and run through the process.

This normally goes for about 45 minutes and requires both of you to present for this meeting.

1

Let's lock it in!

I will send you a contract and invoice for a booking fee to get you married

2

Please know that my job is to make sure you feel supported, comfortable and able to access help at any stage. This information is just a very basic guide as to what happens. Please feel free to ask me any questions that you wish.

WHAT SHOULD BE IN A WEDDING

The thing I love about this question- is that the answer is truly!.....
WHATEVER YOU WANT!

The wedding needs to be legally recognised, however this is achieved through 3 really small areas that we weave throughout your personalised ceremony.

These are my responsibility and are..... (see next page)

THE LEGAL BITS

THE MONITUM

The Monitum is the legal wording stated by the Celebrant. My name is _____ and I am duly authorized by law to solemnize marriages according to law. Before you are joined in marriage in my presence and in the presence of these witnesses, I am to remind you of the solemn and binding nature of the relationship into which you are now about to enter. Marriage, according to law in Australia, is the union of two people to the exclusion of all others, voluntarily entered into for life.

LEGAL VOWS

Short sentences you will say
(These are in addition to your personalised VOWS and not a replacement) I call upon the persons here present to witness that I, A.B. (or C.D.), take thee, C.D. (or A.B.), to be my lawful wedded wife/husband/spouse

DOCUMENTS

You and your witnesses will sign some legal documents.

Everything else that we include is completely and entirely YOUR CALL! Think of everything else as 'FRILLS'. How FRILLY you want your ceremony is totally up to you! Whilst this can seem overwhelming, my role is to support you and make it EXACTLY how you'd like, and I have plenty of ideas as to how I can make your ceremony more enjoyable for everyone.
